

Primary school sessions 2019

We invite schools to book a pet morning or a pet day delivered at your school. A minimum booking of 3 sessions for 3 different classes is required for a pet morning and a minimum of 4 sessions for a pet day. All sessions link into your **SMSC Quality Mark** and are FREE! In return we would love to leave your school with our fundraising pack to show you all the fabulous ways you can have fun and help our animals in need too!

Age	Session	Length
ALL	<u>Wood Green assembly</u> Find out more about Wood Green animals using interactive resources and willing volunteers from the audience!	15 - 20 mins
Rec / KS1	<u>Woody's staying safe around dogs (access to a projector required)</u> Find out what dogs like and don't like, how to stay safe at home and out and about and learn when even the friendliest of dogs need time alone. An essential guide to dog safety with Woody our lifelike toy dog.	30 mins
Rec/ KS1	<u>Make Henry Hamster a happy home!</u> Meet Henry the toy hamster in need of a new home. Through pair discussions help him choose a cage, bedding, toys and friends and see if he is happy with your choices!	30 mins
KS2	<u>Staying safe around dogs (access to a projector required)</u> Learn how to stay safe around dogs with the use of Woody our lifelike toy dog. Find out what dogs like and don't like, how to play safely with a dog and how best to ask a dog to leave you alone.	45 mins
KS2	<u>British values and the five welfare needs (access to a projector and a large space required)</u> Explore the five welfare needs and how they relate to responsible pet ownership through fun and interactive group activities.	45 mins

For all bookings, use of the school hall or a spare classroom is a huge help as we like to bring along lots of resources to help reinforce key learning points!
