

How to make a...Rat Cracker.

A fun and tasty treat for your rats!

What you will need:

rat mix (see recipe)
1 x piece of A4 paper
1 x cardboard tube

Rat mix recipe

- rat nuggets
- pasta
- meal worms
- sugar free cereal
- dry rat muesli
- selection of rat friendly vegetables.

1. Take a cardboard tube and hold one end in your hand. You can now take a handful of the rat mix.

2. Pour the handful of rat mix into the tube using your hand to stop the mix falling out of the other end.

3. Place your cardboard tube on the piece of paper and roll it up.

4. Twist the ends of the paper to stop the rat mix from falling out.

5. And now you have a rat cracker!
