

Cauldron Enrichment Feeder

Supplies:

- 2 x A6 Sheets of Black Card Stock
- Pencil
- Ruler
- Scissors
- Double-Sided Tape or Non-Toxic Glue

Instructions:

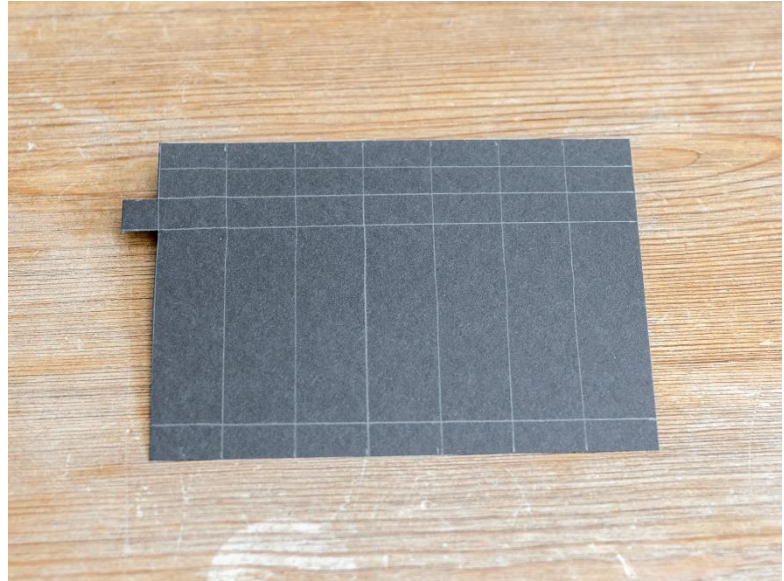

1. On one of your sheets of A6 card draw lines at 1, 3, 5, 7, 9, 11, and 13 cm points along the long side of your card.

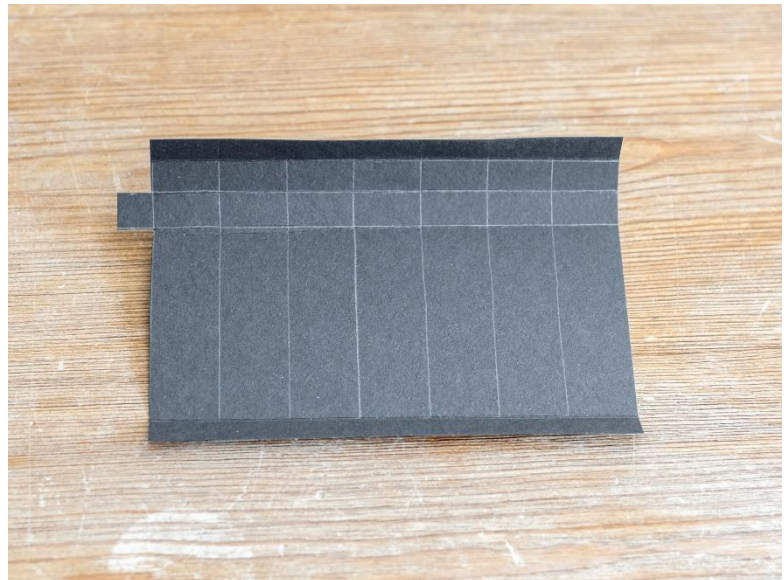

2. Draw lines at the 1, 2, 3, and 9.5 cm points along the short side of the same piece of card. The lines you have drawn on your card should look like the template provided.

3. Cut off the areas of your card that are indicated as grey on the template.

4. Fold along the lines on your card that are indicated as black lines on the template.

5. Tape or glue the top two rows of your card to each other and let it dry if needed.

6. Cut along the lines on your card that are indicated as red on the template.

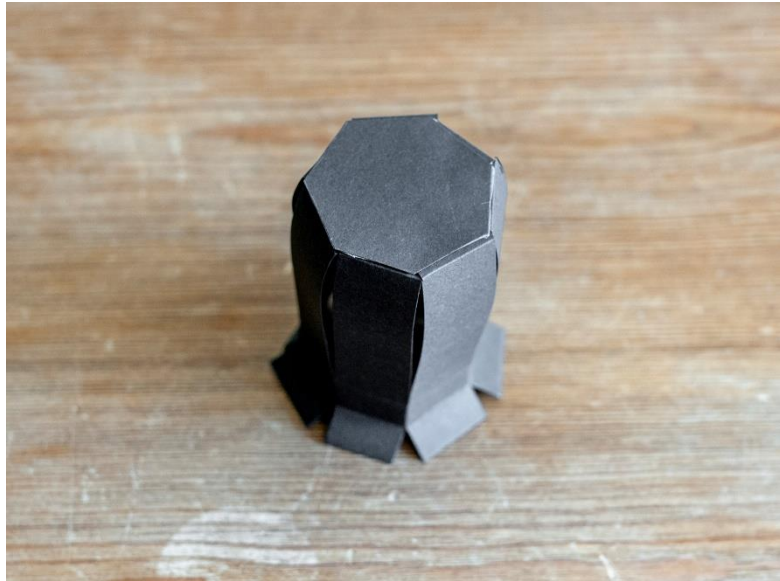

7. Cut out two of the seven-sided shape provided on your other piece of black card. Each side of the shape should be 2 cm long.

8. Tape or glue the bottom row of your cut/folded card to the underside of one of your seven-sided shapes. Let the card dry if you used glue.

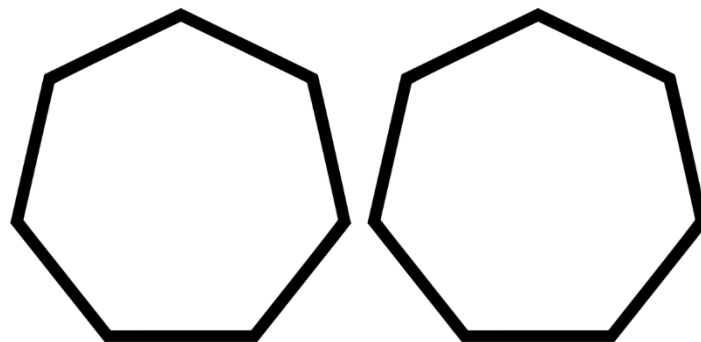

9. Tape or glue the second seven-side shape to the bottom of your cauldron.

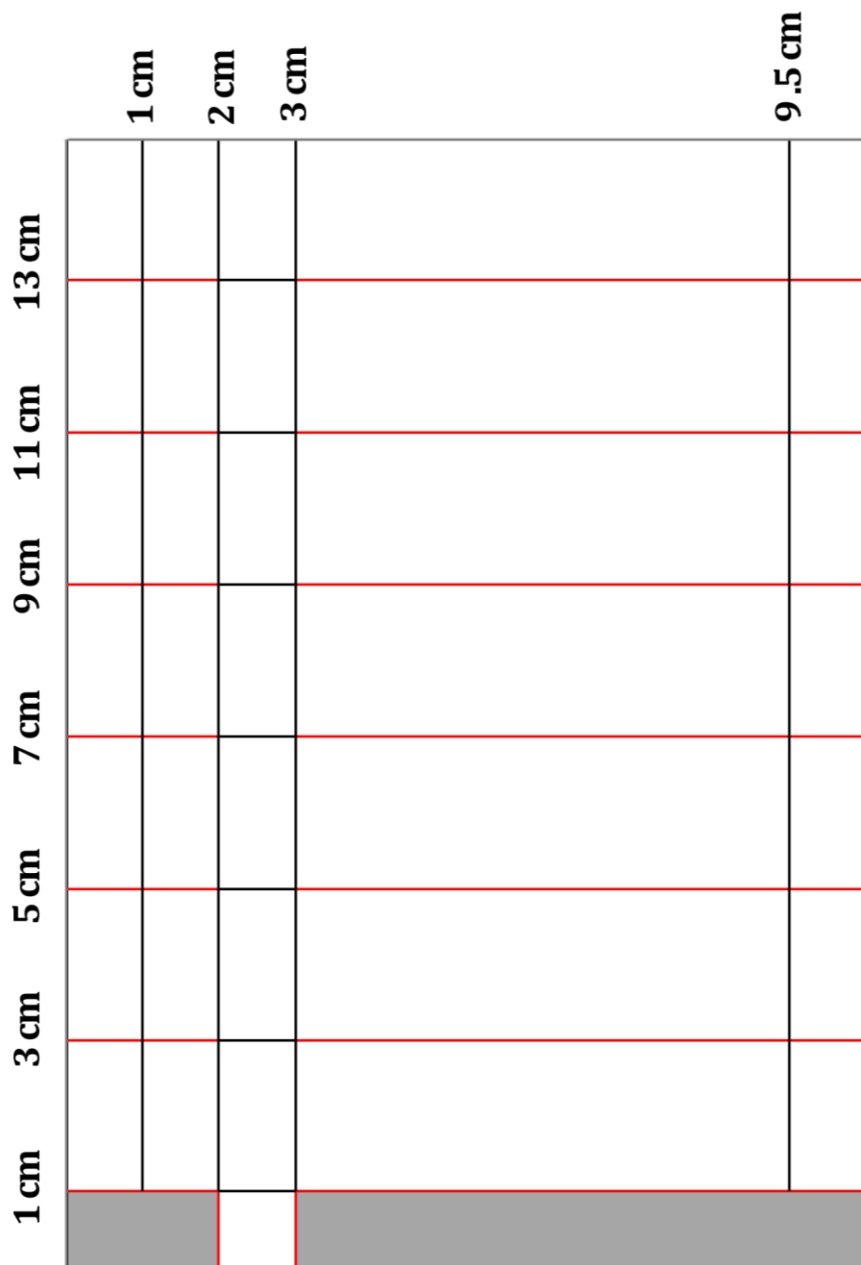

10. Tape or glue the tab in the first column to the same row in the final column and shape the sides of the cauldron to complete the construction of your cauldron.

11. To use place treats or dry cat food into your cauldron. Your cat should use their paws and face to push the cauldron around, so the treats fall out.
